

About WRMS

WRMS is among India's most exciting and fast growing Smart Farming solutions companies. We are on a mission to change the way agriculture is undertaken in India. At the heart of it, what propels us is a desire to empower India's farmers to overcome their most daunting agrarian challenges. Our clients include renowned brands like PepsiCo, WWF, World Bank, UPL and HDFC in addition to the Central and State Governments.

Over the last 15 years we have built a strong reputation due to our core values: Staying Constantly Curious / Never Giving Up / Winning Together / Respecting People / Not Misleading. So if you believe you would like to be part of a team that constantly challenges the status quo and works hard to bring a smile to the faces of those it serves, we would love to hear from you.
